

Denman Community Housing Society

A Community Land Trust

Vision, Mission, Values

Our Vision:

A home for all Denman Island residents.

Our Mission:

The Denman Community Housing Society works with the Denman Island community to develop and operate secure, sustainable, affordable housing on Denman Island.

Our Values:

- **Community Engagement** – Foster open communication with island residents to understand community housing needs.
- **Affordability** – Facilitate the development of affordable, secure housing options that support a diverse community.
- **Sustainability** – Promote socially and environmentally responsible building and operational practices that mitigate the impact of climate change and also reduce utility costs for residents.
- **Respect** – Treat all people with dignity and respect and support a practice of inclusion, belonging and reconciliation.
